### About the Institute of Real Estate Management

IREM® is an international force of 20,000 individuals united to advance the profession of real estate management. Through training, professional development, and collaboration, IREM® supports our members and others in the industry through every stage of their career.

We believe in our people, and we provide the tools they need to succeed. We open doors, we forge connections, and we help show the way forward. Backed by the power that comes with being an affiliate of the National Association of REALTORS®, we add value to our members, who in turn add value to their teams, their workplaces, and the properties in their commercial and residential portfolios.

Our memberships empower college students, young professionals, and industry veterans who are committed to career advancement. Earning our credentials, including the CPM®, ARM®, ACoM, and AMO®, demonstrates a commitment to, and passion for, good management. These credentials, along with our courses and array of resources, all exist with one goal in mind – to make a difference in the careers of those who manage.

### **About IREM Houston**

The award winning IREM® Houston Chapter, established in 1955, is the third largest in the world and has nearly 700 members. Our greatest benefit is industry networking and quality education. Local leaders strive to keep members informed on the latest legislative activities, safety standards, current management trends, as well as providing seminars, community service opportunities, a job referral service and annual scholarship awards to members annually. The mission of IREM® Houston Chapter is to:

- Provide indispensable real estate related education and training.
- Promote professionalism and ethical standards in real estate management.
- Increase recognition of the IREM and the CPM®, ACoM, AMO® and ARM® designations.
- Monitor, communicate, and impact issues affecting the real estate industry.
- Enhance chapter growth through timely and proactive services to its members.
